

# In-store impulse-generating merchandiser

Multi Deck 60 - 5 level

**Placing impulse food products near checkouts has proven to be a successful strategy in today's grab-and-go market. With the Fri-Jado Multi Deck, your customers can pick up delicious, hot, pre-packaged snacks and meal solutions practically anywhere in the store.**

Hot air is blown from the front of the shelf and circulates within the shelf surface resulting in optimum air circulation around the hot product.

Large glazed walls give a 180-degree view of the products. The appealing design gives outstanding product presentation which is sure to boost impulse sales.

## Features MD 60-5 Premium
